A NOTE FROM PR. SANDY

In case you did not know, due in part to your generosity for our Easter Offering, we have installed the first much needed HVAC system that serves the fellowship hall. According to a professional building inspector and multiple HVAC professionals, we still need to replace the system that serves the worship space. Since it is a bigger unit its price tag is nearly \$12,000. (We did receive multiple bids and chose the one of most benefit to our congregation in terms of the system and the cost.) Your council is planning multiple fundraisers throughout the fall in hopes we might install the second unit before winter, the first being a large rummage sale on the last Saturday of August. We hope you will help and participate in the fundraisers on behalf of your congregation and our well-being in the cold winter months. I also hope, if possible, you will prayerfully consider contributing to our endeavor. Giving for HVAC 2 is easy. Write your check to Word of Hope, and put HVAC 2 in the memo line. Thank you for your generous support.

-Pastor Sandy
